Understand AlQuran in Arabic

This App provides multiple ways to learn and understand Quran directly in Arabic

Learning Quranic Meanings, Vocabulary and Grammar through Quran with the goal of understanding Quran in its original Arabic Language without reading translations in other languages.

Color-Coded Arabic English Translation

Read and understand color coded Qurans in English where the word by word meanings are juxtaposed to the Arabic text. Blue and red colors are alternately used for Arabic words and the corresponding English words. Green color in the translations is used for comments or other words which are implied and not explicit in the Arabic Quran. Authenticity of the translations is established with a full set of references mentioned in the Introduction of the color coded Arabic English Quran.
