The Nightcomer (or The Morning Star)

In the name of God, Most Gracious, Most Merciful

Ruku 1 Aya 1-17	**By the sky and the Nightcomer! What will make you realize what the Nightcomer is? The star shining [before dawn]!**
	Each soul has a guardian [set up] over it, so let everyman notice what he has been created from. He was created from a fluid ejected from between his backbone and his ribs. He is Able to revive him on a day when secrets will be tested; so he will have, no strength [left], nor any supporter.
	By the sky with its cycle, by the earth cracking open, it is a decisive statement! It is no joke.
	They are hatching some plot while I too am hatching a plot; so put up with disbelievers; put up with them as long as you can!
