بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِيْمِ

The Gossipmonger

In the name of God, Most Gracious, Most Merciful

Ruku 1 **Aya 1-9**	**How awful [will it be] for every backbiting slanderer who hoards wealth and keeps on adding to it! He reckons that his money will make him immortal. Nevertheless he will be flung into the Bonecrusher!**
	What will make you realize what the Bonecrusher is? [It is] God's kindled fire which leaps up to clutch at one's vitals. It will be vaulted over them in outstretched columns.
