قَالَتْ عَائِشَةُ رَضِيَ اللَّهُ عَنْهَا

Whenever the Prophet Sallallahu Alaihe Wasallam took a bath after Janaba he started by washing his hands and then performed ablution like that for the prayer. After that he would put his fingers in water and move the roots of his hair with them, and then pour three handfuls of water over his head and then pour water all over his body.

He washed off the discharge from his private parts and then poured water over his body. He withdrew his feet from that place (the place where he took the bath) and then washed them. And that was his way of taking the bath of Janaba.
