AlQuran

Arabic English Bangla Translation

The purpose of developing this Quran in three languages, namely Arabic, English and Bangla is to provide a multilingual translation for those readers of the Quran who reside in English speaking countries and understand English and Bangla and at the same time know or want to learn Arabic as that is the language of the revelation of the Quran.

The Quran is portable through Internet to computer media, tablets and smart phones and does not require any special software. The files are separated in individual Surahs (chapters) and are PDF readable.

The Arabic text is in Nastaleeq font/script of the Quran printed in non-Arabic speaking countries like Bangladesh, India, Pakistan, South Africa and far east.

The following English translations of the Quran have been used as the foundation and reference of this work:

- * *The Meaning of the Glorious Quran, An explanatory Translation (Revised)* by Mohammad Marmaduke Pickthall.
- * *The Glorious Quran, Translation and Commentary* by Allama Abdullah Yusuf Ali.
- * *Tafheemul Quran.* Syed Abul Aala Maududi, translated in English by Muhammad Akbar Muradpuri, Abdul Aziz Kamal and Zafar Ishaq Ansari.

- * *The Noble Quran in the English Language.* By Muhammad Taqi al-Din al-Hilali and Muhammad Muhsin Khan.
- * *The Quran: The First American Version.* By Thomas B. Irving (Taalim Ali).
- * *The Quran with corresponding English Meaning.* Sahih International.

The Bangla translation is the compilation and translation of Quran in Bangla by Moulana Mohiuddin Khan from Bangladesh who is a prolific scholar, a renowned mufassir and a thinker of Islam.

While arranging words and formatting sentences for effective coding, extreme care has been taken to keep the accurate meaning and the flow of the text intact. Work has been checked multiple times including the Arabic text of the Quran.

This work is available free of cost.

I am grateful to the following members of our community for their assistance in proof reading and verifying the text of the Quran in Bangla, English and Arabic.
